

when you
**keep life
fresh!**

things stay interesting™

At La Salsa, you'll find plenty of spice on the menu and a fresh attitude throughout the restaurant. With a unique approach to healthy, authentic Mexican food, we're one of the leading Fresh Mexican chains on the West Coast. Hallmark to our fresh style is friendly hospitality and quality taste. Inspired by classic Mexican taquerias, each La Salsa is run by a "salsero"—a host who ensures you receive that "personal" touch. With a one-of-a-kind Fresh Salsa Bar, you can "customize" your salsa—selecting from a host of secret recipes...from dark and rich to tangy and zesty. We never use microwaves, can openers or lard. And signature to our superior taste is charbroiled cooking with skinless, all-white-meat chicken, tender steak, big succulent shrimp and flavorful Mahi Mahi. La Salsa. Keeping life fresh!
